County of San Diego, Planning & Development Services

Several proposed General Plan Amendment (GPA) projects, Lilac Hills Ranch, Otay Village 14 and Planning Areas 16 and 19, Warner Ranch, and Property Specific Requests (PSRs), were tentatively scheduled to be heard by the Board on December 12, 2018. These projects will not be heard by the Board in 2018 due to varying reasons such as staff workload in preparing some of these projects, the County's Climate Action Plan litigation and the injunction which applies to the PSRs, and applicants continuing to provide additional information to staff for their projects.

At this time, staff does not have a tentative hearing date for these projects. Staff will continue to provide project updates as they become available, through the stakeholder email list and through the project web page at <https://www.sandiegocounty.gov/content/sdc/pds/gpabatching.html>.

For any questions, please contact staff via the project email addresses or project phone lines noted below.
